USA Labeling Details

Items with this symbol are either labeled as "Made in the U.S.A." by the manufacturer without qualifications or the manufacturer has authorized the "Made in the U.S.A." designation.

"Built in the USA". Items with this symbol contain a label that indicates they are either made in the U.S.A. with global and/or U.S.A. components or assembled in the U.S.A.

Many USA manufacturers are updating their labels out of caution due to vague FTC standards for "Made in U.S.A." labeling and California regulations that differ from the FTC standard.
